

Login to the University e-learning Server - moodle.uniba.sk

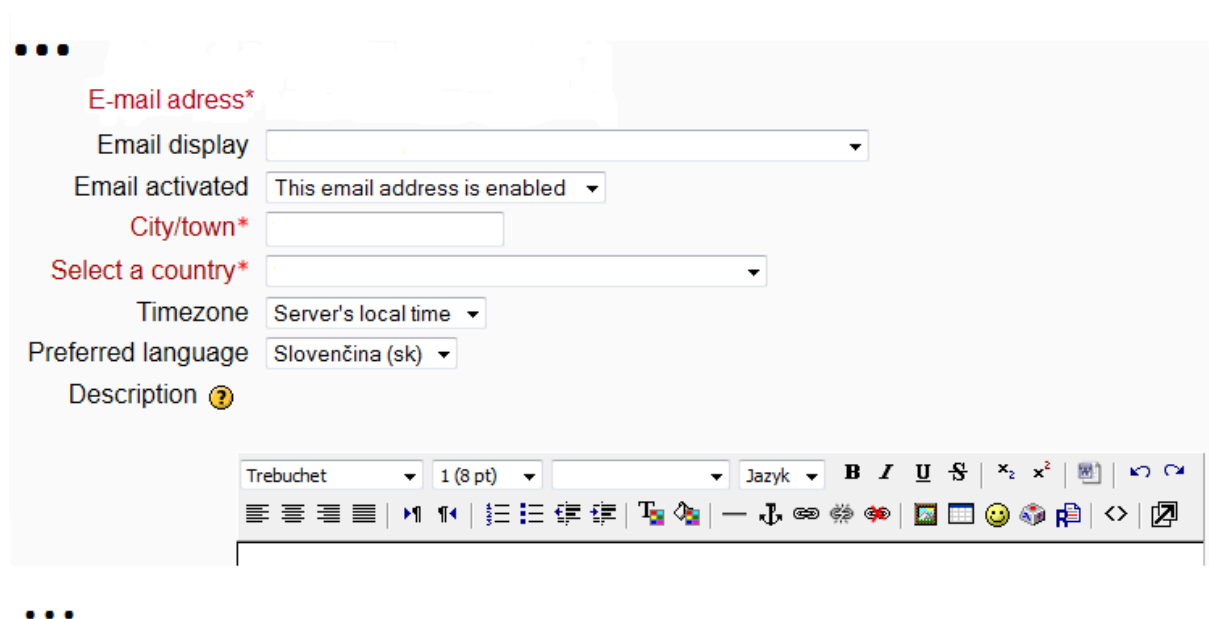

For logging into the server you must enter username and password, which are the same as username and password to IIKS (eg AIS)

If you don't have username and password and you are an employee or student of our Faculty, this data can be generated at the Department of Information Technologies.

Please contact: Mgr. Veronika Hidegová, UIT, VoIP:41 218,
mailto:hidegova@jfmed.uniba.sk

*To generate a password it is required to come **personally** to the Department of Information Technologies.*

It is necessary to have complete data (e-mail, city, country) in your user profile. If any of the required information is missing in the system, your profile page will appear after logging in – Fig.1

The screenshot shows a user profile page with the following fields and options:

- E-mail address***: A dropdown menu for 'Email display' and a dropdown for 'Email activated' (currently set to 'This email address is enabled').
- City/town***: A text input field.
- Select a country***: A dropdown menu.
- Timezone**: A dropdown menu (currently set to 'Server's local time').
- Preferred language**: A dropdown menu (currently set to 'Slovenčina (sk)').
- Description**: A text area with a help icon.

At the bottom, there is a rich text editor toolbar with options for font (Trebuchet), size (1 (8 pt)), color (Jazyk), bold (B), italic (I), underline (U), strikethrough (ABC), link (x₂), unlink (x²), list, indent, outdent, text color, background color, undo, redo, and other editing tools.

Fig.1

You are requested to enter all required information (marked with asterix). After filling in data, you will receive a notification email with hyperlink in your e-mail inbox. Clicking on it will automatically enable you to login to the University e-learning server.

If you experience any problems with logging to modle.uniba.sk, please send an e-mail to: korenciakova@jfmed.uniba.sk.
